

REASONS TO CONSIDER

Historically Consistent Growth

Global defence spending has grown at an annualised rate of 4.3%¹ over the past 40 years, underscoring the essential and growing role of defence in economies worldwide.

Rising National Security Focus

Increasing global tensions are driving nations to boost defence spending, reflecting heightened national security concerns and a competitive push to maintain strategic advantage.

Focus on Tech-Driven Defence

DTEC includes companies with a revenue filter ensuring exposure to AI, drones, and cybersecurity, capturing the future of innovation in defence.
