

Global X Appoints New Head of Portfolio Management

Sydney, Australia, 15 August 2024 Global X ETFs (Global X) has appointed Chris Wolak as Head of Portfolio Management. Wolak will commence the role in October 2024, overseeing the company's diverse ETF product line-up across equities, fixed income, commodities, and digital assets, which represents over AU\$7.6 billion in assets under management.¹

As Head of Portfolio Management, Wolak will lead a team of investment professionals, overseeing the management of all Global X ETFs, trading infrastructure, and fostering service provider relationships, all while driving product development with key market insights.

Wolak brings more than 18 years of extensive portfolio management experience. He joins Global X from UBS Global Asset Management, where he led the index portfolio management team in Australia for over 12 years, driving strategic growth and product development. During his tenure, Wolak spearheaded the establishment of the firm's APAC regional indexing capability, including building a portfolio management team, which resulted in over AU\$28 billion of client portfolio growth.

Wolak's incumbent Cliff Man, will depart the business after more than a decade with Global X and its predecessor business ETF Securities.

Mr Young Kim, Chief Global Officer, Mirae Asset Global Investments welcomed Chris Wolak to the firm during an exciting growth phase for the business.

Chris's deep understanding of funds management and exceptional track record reflects Global X Australia's commitment to our team, clients, and partners. We are excited to welcome him to our team and confident his ability will help drive forward our mission to provide better investment solutions for Australians, Mr Kim said.

Commenting on his appointment, Wolak said, "I'm thrilled to be joining the team during a pivotal moment of innovation in the Australian ETF market. Global X has seen tremendous success over the past few years, and I look forward to leveraging my experience to help lead the next phase of the firm's product suite and evolution."
