

REASONS TO CONSIDER

Generate Income

Steady income potential from investment grade corporate bonds, which generally deliver higher yields than treasury bonds.

Risk Management

Diversify portfolio income with access to only lower risk BBB and above credit rated corporate bonds.

US Exposure

Access the world's largest corporate bond market in a cost-effective, highly liquid and currency hedged vehicle.¹

The issuer of units in Global X USD Corporate Bond (Currency Hedged) ETF (ARSN: 661 604 431) is the responsible entity of the Fund, being Global X Management (AUS) Limited (AFSL 466778) ("Global X"). The product disclosure statement (PDS) for the Fund contains all of the details of the offer of units in the Fund. Copies of the PDS are available from Global X Management (AUS) Limited or at globalxetfs.com.au. In respect of each retail product, Global X has prepared a target market determination (TMD) which describes the type of customers who the relevant retail product is likely to be appropriate for. The TMD also specifies distribution conditions and restrictions that will help ensure the relevant product is likely to reach customers in the target market. Each TMD is available at globalxetfs.com.au. The information provided in this document is general in nature only and does not take into account your personal objectives, financial situations or needs. Before acting on any information in this document, you should consider the appropriateness of the information having regard to your objectives, financial situation or needs and consider seeking independent financial, legal, tax and other relevant advice having regard to your particular circumstances. Any investment decision should only be made after obtaining and considering the relevant PDS and TMD. Investments in any product issued by Global X are subject to investment risk, including possible delays in repayment and loss of income and principal invested. None of Global X, the group of companies which Mirae Asset Global Investments Co., Ltd is the parent, or their respective directors, employees or agents guarantees the performance of any products issued by Global X or the repayment of capital or any particular rate of return therefrom. The value or return of an investment will fluctuate and an investor may lose some or all of their investment. All fees and costs are inclusive of GST and net of any applicable input tax credits and reduced input tax credits, and are shown without any other adjustment in relation to any tax deduction available to Global X. Past performance is not a reliable indicator of future performance.
